## Meet the Team:

### **Ambre, coordinator and monitor**

I'm a Grade 5 teacher and I want to offer young people in Saskatchewan a fun and engaging experience in French. As a proud bilingual Francophone, I completed my education in Fransaskois schools as well as in the French Immersion system. I'm passionate about music, art, dance, crafts, and sports. I can't wait to meet your children and share with them the joy of French-Canadian dance!

### **Dylan, monitor**

I'm a student in the Bachelor of French Education program at the University of Regina. As a native Francophone, I've always been motivated to speak French as a way to connect with people and explore different cultures and ways of life. I have a strong passion for sports and physical activities—growing up, I played hockey, soccer, and basketball. I'm also very interested in self-expression through music and rhythm.

### **J'Lynn, coordinator and monitor**

I have worked for the Société historique for over two years now as the event coordinator. I love everything to do with movement, especially dance and sports. I have Ukrainian danced since the age of 4, and I also instruct the Klenovee Lystky group in Ituna. I am very excited to share the joy of dancing among friends with your children during the camps!
